RESEARCH EXPERIENCE

Independent Research Project, Lumiere Education June 2025 – August 2025
Title: The Politics of Aid and Corruption: Evidence from Democracies and Autocracies
Investigated how foreign aid affects corruption in autocratic and democratic regimes using a quantitative differences-in-differences method. Found that aid increases corruption more in autocracies than in democracies [View Presentation and Paper](#)

WORK EXPERIENCE

Instructor, Kumon Math and Learning March 2022 – March 2025
City, Country

- Instructed students ages 4–18 in math (basic arithmetic to precalc) and reading, adapting to diverse learning styles and academic needs
- Communicated regularly with students, parents, and team members to support progress and create a positive learning environment.

Intern, Saint Louis City Circuit Court July 2025
Saint Louis MO, USA

- Observed real court trials, assisted in filing legal cases, and observed multiple departments to learn legal procedures.
- One of only two highschool interns chosen to participate
